

30th Annual Chemometrics Symposium

“Chemometrics in Action”

Thursday 13th October 2016, Ravenstein, the Netherlands

The Dutch Chemometrics Society cordially invites you to its Annual Chemometrics Symposium. This year the theme is “Chemometrics in Action” with a focus on practical applications. Six speakers will cover a variety of subjects. During the lunch a microNIR spectrophotometer will be demonstrated.

As usual, this symposium will be an excellent opportunity to meet old and new colleagues, to learn new things and to discuss them in an informal and friendly atmosphere.

Speakers with their presentation titles

- **Rudolf Kessler**
“Perspectives in Process Analysis: Remarks on Robustness of Spectroscopic Methods for Industrial Applications”.
- **Jan Gerretzen**
“A novel and effective way for preprocessing selection based on Design of Experiments”.
- **Andrei Barcaru**
“Thinking Bayes: creating new ways of interpreting GCxGC(-MS) data”.
- **Cyril Ruckebusch**
“Chemometric analysis of spectral spatial-temporal images”.
- **Olga Lushchikova**
“Development of alarm system for water quality control based on flow cytometry data of algal populations”.
- **Ewoud van Velzen**
“Robustness: A key parameter in the validation of multivariate sensory regression models”.

Location

The meeting will take place in Vergader- en Conferentiecentrum Soeterbeeck, Elleboogstraat 2, 5371 LL Ravenstein See www.ru.nl/soeterbeeck/informatie-contact/routebeschrijving/ for a description and how to get there.

Time

Registration and coffee between 9:15 and 9:55, opening symposium at 9:55.

Fee

The registration fee is 100 euros (50 for students and PhD students). Everything is included: participation in the meetings, lunch, refreshments and drinks at the end of the day. It is not possible to register for a half-day at a reduced price.

Language

The official language of the symposium will be English.

Posters

Participants are invited to share their work during the poster session that will take place during the lunch break. A poster prize (100€) will be awarded to the best poster. If you want to submit a poster, send an e-mail before 1st October with title and abstract to PosterACS2016@DutchChemometricsSociety.nl and bring the poster (A0 format) to the registration desk on the day of the symposium.

Demo

During the lunch break a demonstration will be given of the microNIR.

How to register

Reply to this e-mail with your name, address and affiliation or send this information to the Dutch Chemometrics Society e-mail address ACS2016@DutchChemometricsSociety.nl. Payment should preferably be made in advance by bank transfer (IBAN: NL 02 INGB 0004 8518 27, STICHTING DUTCH CHEMOMETRICS SOCIETY) or in cash upon arrival.

On behalf of the organizing committee we are looking forward to meet you in Ravenstein,

Paul Eilers, Erasmus MC Rotterdam.

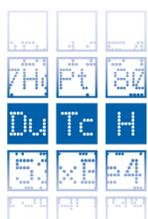

Gerben Mooiweer, JDEcoffee/R&D, Utrecht.

Bülent Üstün, Aspen Oss BV, Oss.

Jeroen Jansen, Radboud University Nijmegen.

Jos Hageman, Biometris, Wageningen University.

Theo Reijmers, Kinesis Pharma, Breda.
